OUR PRACTICE PHILOSOPHY

Is to provide thoughtful medical care to individuals and families, keeping up to date with medical innovations and bringing you efficient personal advice.

Privacy and Confidentiality

We consider that patients attending this practice expect that information provided will be used only to assist in managing their health.

We also consider that patients would reasonable expect that selected personal health details that selected personal health details will be disclosed to other health services directly involved in providing a health service to the individual.

Australian Privacy Principles:

As a General Practice also comply with The Australian Privacy Principles and ensure your information is always protected and secured at all times with regular reviews of our security and information handling procedures. This is applied in policies and procedures for storing, collecting and accessing information where we comply with the mandatory reporting of the patient information data breaches to the Office of Australian Information Commission - <https://www.oaic.gov.au>.

Updates and Important Information

Due to the Covid -19 pandemic we have implemented extra Infection control procedures and processes to ensure your safety and wellbeing and all those of the Nambour Medical Center staff. The staff will be taking temperatures and checking on any hotspot visitations and symptoms when you enter the surgery. Social distancing rules has been supported through the removal of waiting room chairs and an outside waiting area too. The removal of toys, books, and reading material has also been removed to reduce risk of cross infection. Any health education material can be requested and will be provided by a clinical staff member upon request. Any patients with symptoms are advised at the time of making their appointment to wait in their car upon arrival and advise reception via phone that they are here along with their registration number so that clinical staff can locate them and provide the appropriate and safe care from the vehicle.

Any problems or concerns?

We believe that problems are best dealt with through the practice and are always looking for ways to improve and ensure your healthcare is our priority. You can email the Practice Manager at reception@nambourmedical.com.au or contact 54414033 to speak

NAMBOUR MEDICAL CENTRE

We Care, We commit

Cancellation Policy- We have had an increasing number of patients not attending prior booked appointments. In future if you miss an appointment without informing us at least 2 HOURS prior to the appointment you will be charged a \$50 non-attendance fee before we will rebook the next appointment. Our doctors realise that situations do arise when non-attendance is unavoidable, and these instances will always be considered.

Home Visits- While the Doctors prefer for our patients to attend the surgery, however for urgent/emergency consultations a GP can do a home visit, when necessary.

Collecting information about you- It is very important that we have up to date contact information for our patients and their next of kin, this is needed in the case of an accident or any other emergency. It is a Medico-legal requirement for an accredited practice that we confirm these details at every visit.

Communication for Patients- If you have special needs and require a translator, please advise reception, so they can organise one through the many organisations that cater for your needs.

Patients' Rights- Patients have the right to refuse any treatment, advice, or procedure. Our doctors discuss all aspects of treatment and will offer alternatives should a patient seek another medical opinion.

Aboriginal and Torres Strait Islanders - We have implemented a bulkbilled comprehensive health check service for First Nations community members of all ages. The program includes a pre-check questionnaire, comprehensive assessment, and recommendations. Many allied health providers can be accessed via this service as well for problems that may be identified.

National Shingles Vaccination Program – The Zostavax vaccine is to prevent the painful and potential deadly shingles infection and is available to all patients between the ages of 70-79. Please see your GP for further information.

N.M.C. FEES TABLE

Consultation Fee	Private	Pensioner / <16years
< 5min	\$40.00	Bulk Bill
10-20mins	\$80.00	Bulk Bill
20-40mins	\$120.00	Bulk Bill
>40mins	\$160.00	Bulk Bill

Prescriptions & some referrals without consultations- Starts at \$15 - Ask Reception

Missed/Cancellation appointment- \$50.00

There may be variation in fees between doctors based upon content, time, and frequency of consultations. There are some nurse item numbers now for which patients will be bulk billed on occasions. This initiative by the government helps support nurses in the surgery.

Please tell us if you are experiencing financial difficulties, we can always come to some arrangement. Please pay by cash, credit card or Eftpos at the time of consultation. Nambour Medical Centre is specially recognised by the Royal Australian College of General Practitioners as a practice of excellence.

Our team of doctors are clinical educators devoted to post graduate teaching and learning. We regularly have doctors here completing their Fellowship in General Practice, please make them welcome.

If you see another doctor and wish for your usual doctor to be in- formed of your visit, please let us know. Very often our doctors are in consultation and cannot be disturbed. If you phone at such a time, staff can take a message and arrange for the doctors to phone you back. NB: Please give at least 24hours for script request.

Health Assessments- Our nurses are providing health checks for over 75yrs and 45-49yrs here in our surgery, please book into one of the Health Assessment clinics to have your check done. The aim of providing a comprehensive look at your health and offer preventative assistance, these are combined with a review by your doctor at the surgery.

Reminder System- Our practice is committed to Preventative care. We may issue you with are minder notice from time to

time offering you preventative health services appropriate to your care. If you do not wish to be a part of this system, please let the reception staff or your doctor know

Telephone calls/ appointments- Our reception staff are available to make bookings and to assist you. This practice operates on an appointment system and appointment times are held aside each day for same day urgent cases. Urgent medical problems will be dealt with promptly. Our staff will Endeavor to give you a time with the doctor of your choice. However, some doctors work part time, others maybe taking leave or time away to study.

The usual time is 10-15minutes. If you feel you require a longer appointment, please ask when booking. A longer appointment attracts a higher fee but also a higher rebate from Medicare and gives you time with your doctor.

Phone for results after 11am: To protect your privacy, reception staff cannot access your full results, only the doctor's comment. Any discussion regarding the result must be with your doctor on appointment.

Facilities for people with a disability- This practice is designed for wheelchair access. We also have a wheelchair available on site. Should you have special needs please discuss this with your doctor.

Referrals - Please be advised that Nambour Medical Centre doctors will no longer back-date referrals, if you require a referral, please make an appointment with your regular Doctor allowing plenty of time before you see the specialist.

Skin cancer screening- The doctors at Nambour Medical Centre would encourage their patients to have regular skin checks and to make an appointment with a doctor should they notice any skin lesion or skin condition that has changed in colour, shape, or appearance.

If you have moved house or for any other reason believe you may not be on the Queensland Health Register, please phone them on 1800 777 790.

Parking- At times, our car park may be full, additional allocated parking is available on the vacant block beside the practice, just look for the Nambour Medical Centre Patient Parking signs. Please take care when parking there
